October 2022
Halloween

Hi everyone! Well the season has finally changed and its started to cool down. For the month of October, we will be going outside for trick or treating and asking for lots of candy and snacks from shops around Ebisu.
We are all looking forward to all the wonderful costumes that everyone will be wearing. So everyone get ready to be scared and stay away from the witches and ghosts.

Subject Study	Afternoon Session
Monday （Art & Crafts）	We will start the month making art with shadows. We are extending our learning about wood in Science by making some amazing art using wood. In the latter half of the month, we will look into patterns and also make a slimy monster – just the perfect art project for Halloween!
Tuesday (Theme)	This month is all about Halloween… and ZOMBIES! First, we will learn about Halloween, and then work on making a zombie costume. There will be a Zombie Contest where winners will be chosen from entries submitted by students at our other Schools. Who will win?!
Wednesday (Social Studies)	We will learn about the history of masks this month. Masks are worn at spiritual ceremonies, festivals, in performances and plays, and in sports, too. Masks are worn for various reasons and purposes, and by all kinds of people all over the world. Even superheroes wear them!
Thursday (Science)	Wood is Good! But, what is wood? Where does it come from? How does wood help us? A lot of things around us are made of wood… can you think of any? What makes wood special? We'll take a close look at wood this month!
Friday	Fun Fun Friday!!
