PRIME Academic Preschool

February 2021

Happy Valentine month! This month is going to be filled with love and hearts♡ We will make lots of fun crafts!
Our theme this month is "amount". We will be looking at countable and uncountable things and how we count things differently. Instead *of saying "one milk" we say " a glass of milk" or "a carton* of milk".

XOXO						

Special Events

Soap Making **1/5**

All classes

It is important to wash our hands to keep us healthy! Let's make washing hands fun by making our very own soap!

Valentine's Day **1/12**

All classes

Happy Valentine's day! We will be celebrating Valentine's today. Let's exchange Valentine cards and enjoy special activities.

Pancake Birthday **1/19**

All classes

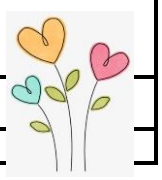
We will be celebrating February Birthday friends! We'll make a cute animal using pancakes and fruits! Yum yum!

Pokemon Day **1/26**

All classes

It's Pokemon day! What's your favorite pokemon?? Gotta catch'em all!

NOTICE
☆ Please wear your purple T-shirt to school every Friday.

Holiday
School is cloed on February 11th and 23rd due to national holidays.


Subject Study	Afternoon Session
Monday （Art）	This month we will be making crafts for Valentine, in the woods, and inspired by Keith Harring!
Tuesday (Theme)	Our theme this month is "amount". We will be learning about different ways we count things. There will be hands on activity like cooking by looking at recipes that measure amount of things in different ways.
Wednesday (Social Studies)	Wednesday is going to all about Ninjas! Do you know what a Ninja is?? What do they do? At the end of the month there will be a test to see if you became a true Ninja.
Thursday (Science)	We will be learning about our amaxing body! How does our heart work? What happens when we run? We'll look into the inside part of our body.
Friday	**Fun Fun Friday!!**
